# **Basic Double Doors**

### **SHORT FORM SPECIFICATIONS:**

Self-contained, NSF certified, double-doors in 34" wide integrated frame. Double 304-stainless steel insulated doors measuring 21.25" x 35.27" has replaceable magnetic gasket providing a hermetic watertight seal. Door face frame made from high-strength composite allows easy installation to indoor and outdoor kitchen cabinet installations.

### 34" Wide Cutout

# **Hermetically Sealed Enclosure**

### Top Quality Materials for Long Life

- Double doors completely made of 304 stainless steel with angular hinges.
- Watertight composite frame with 34" wide cutout.

### Ease of Use

- Seamless flush recessed pull handle.
- Hinged doors allow a full opening to access storage.
- Ergonomic and perfectly smooth for ease of cleaning.

# **Professional Design**

- Multiple styles of drawer and drawers allows designers to quickly construct quality NSF foodservice counters.
- For indoor or outdoor use.
- Convenient and fast installation.
