Insulated Single Drawer

RONDA
Distributed by Evo, Inc.

For Cold or Hot Storage

Hermetically Sealed Enclosure

Top Quality Materials for Long Life

- Single drawer with insulated front and 304 stainless steel drawer face.
- Integrated pan, and heavy-duty rails with acetal resin rollers.
- Watertight composite enclosure.
- Easily removed drawer provides convenient loading and cleaning.

Insert Food Containers To Drawer Pan for Hygiene and Safety

- Integrated stainless steel pan supports one full size pan (1/1), or half, third or fourth pans.
- Use with ice to keep foods cold, or with hot water to keep foods warm.

Professional Design

- Multiple styles of drawer and drawers allows designers to quickly construct quality NSF foodservice counters.
- For indoor or outdoor use.
- Convenient and fast installation.

SHORT FORM SPECIFICATIONS:

Self-contained, NSF certified, single-drawer in insulated cabinet. Single 304-stainless steel insulated drawer face mounted to full-size 8" depth hotel pan with 304-stainless steel tracks and acetal resin rollers. Drawer face measuring 12.75" x 16.25" has replaceable magnetic gasket providing a hermetic watertight seal. An insulated external jacket made from high-strength composite allows easy installation to indoor and outdoor kitchen cabinet installations.
